

PC 2A

### Series Also Includes...

#### TECHNICAL SPECIFICATION

Note: All Dimension are in mm

| PARAMETERS            | SERIES | PC 2A                           |
|-----------------------|--------|---------------------------------|
| No of Contacts        |        | 24 & 44                         |
| Contact Type          |        | Bifurcated Double Bellows (BBT) |
| Contact Terminal      |        | Solder/PMT                      |
| Contact Pitch         |        | 3.96mm(0.156 inch)              |
| Durability            |        | 500 Cycles                      |
| Insulator             |        | Polycarbonate/PBTP              |
| Contacts              |        | Phospher Bronze                 |
| Contacts Finish       |        | Gold/Tin                        |
| Temperature Range     |        | -40° C to +125°                 |
| Working Voltage       |        | 300Volts rms                    |
| Current Rating        |        | 5 Amps                          |
| Contact Resistance    |        | 10 miliohms (max)               |
| Insulation Resistance |        | 1000 Megaohms (min)             |
| Voltage Proof         |        | 1000 Volts rms                  |

Note : (1) Recommended PCB hole 1.40mm.
